Commodore's Message

by Commodore Erik Fridley

Dear Fellow Skippers,

Another winter is upon us and almost over. After all the snow this year, I was tempted to look for a new place to reside that is warmer and has no snow. But where? There is no place like Round Bay and its sailing.

This will be a promising year for RBSA. With participation at its highest level, we look forward to a fun and competitive season, stressing FUN! We have a number of events scheduled as always, and the infamous Fun Race will be a surprise for all; so don't miss any races in the 2nd Wednesday Series.

We are looking for input on the annual Commodores Cup. This race typically involves buoy racing, or a destination race honoring government marks. We will overnight, with a return race. So if you have any thoughts or ideas for this race, please feel free to contact myself, or Peter Zahn peter.zahn@gmail.com.

A membership form has been included with this newsletter. Skippers, encourage your crew to join as associate members because they will receive the newsletter, email notifications, the yearbook and voting privileges. Please complete the form and return as soon as possible. The new RBSA Yearbook is about to be published and we need your updated member information. Don't miss being added to the yearbook. The yearbook will be handed out at our Mandatory Skippers Meeting April 11 at UK Sail Loft. We will be sending out a "dates to remember card" so look for that in the mail.

Looking forward to a great sailing season!

Your Commodore,

Erik Fridley *SuperG* Fridley@verizon.net
